

Course Title:Feng Shui and Pungsu-jiri: A Holistic Approach to Geomancy Level 3

Course Overview:

This course offers an in-depth exploration of Feng Shui principles alongside Korea's unique interpretation, Pungsu-jiri. Participants will learn the historical, philosophical and practical aspects of both systems, equipping them with the knowledge and skills to apply these ancient practices in modern contexts. The course is divided into three parts, each focusing on different levels of understanding and application:

Course Overview:

This course offers an in-depth exploration of Feng Shui principles alongside Korea's unique interpretation, Pungsu-jiri.

Participants will learn the historical, philosophical, and practical aspects of both systems, equipping them with the knowledge and skills to apply these ancient practices in modern contexts.

The course is divided into 2 parts, each focusing on different levels of understanding and application:

Part 3: Advanced Techniques, Pungsu-jiri and Certification

Module 7: Advanced Techniques and Applications in Feng Shui and Pungsu-jiri (10 hours)

- + Advanced Flying Star Techniques
- + Integrating Feng Shui with Other Practices
- + Real-World Applications and Case Studies
- + Advanced Pungsu-jiri Techniques and Modern Adaptations

£200

Module 8: Final Project and Certification (8 hours)

- + Presentation of Final Projects: Case Studies or Consultations
- + Course Review and Key Takeaways
- + Certification of Completion

£200

All 2 modules Advanced Techniques, Pungsu-jiri, and Certification (18 hours) £380

Learning Outcomes:

By the end of this course, participants will:

- * Understand the foundational concepts and historical context of both Feng Shui and Pungsu-jiri

- * Be able to create personalized handbooks that incorporate principles from both systems

Apply Feng Shui and Pungsu-jiri techniques for site selection, building orientation, and energy flow optimization

- * Conduct consultations with a strong ethical framework and effective communication skills

- * Recognize and navigate modern interpretations and misconceptions of these ancient practices

This course is designed for individuals interested in holistic practices, architecture, interior design, and personal development, as well as those seeking to deepen their understanding of cultural geomancy and its applications.

Course Format:

The course will be delivered through a combination of lectures, discussions, case studies, and practical exercises. Participants will have the opportunity to engage with the material through interactive sessions, group work, and individual projects.

Assessment:

Assessment will be based on participation, completion of assignments, and a final project or consultation presentation.

Certification:

Upon successful completion of the course, participants will receive a certification of completion.

I hope this comprehensive course program meets your requirements. Please let me know if you need any further modifications or have any questions.
